

Expectations and Duties of Chaperones

These guidelines, in addition to the Leadership High School Employee Handbook are to help you understand the importance of your role as a chaperone. Listed below are the duties and guidelines each chaperone must follow when on a school-sponsored fieldtrip or event. If you have any questions about these procedures and guidelines, we urge you to discuss them with the supervising teacher for your fieldtrip/event or the Principal.

Thank you for your support of school fieldtrips and events at Leadership High School; you are a necessary and essential part of a successful and enjoyable school event!

1. Students must be supervised at all times at any school-sponsored fieldtrip or event.
2. Leadership High School faculty or staff members will accompany students on any school-sponsored field trip or event.
3. Extended field trips will provide for one adult chaperone for every 8 students. Male and female adult chaperones shall be provided for all overnight trips which are co-educational. For trips involving international or domestic overnight travel, the adult/pupil ratio will also be 8:1. This ratio should be followed unless special permission to alter it becomes necessary due to extenuating circumstances. If in the opinion of the supervising chaperone the above ratio is unworkable for a specific trip, he/she may choose to consult with the supervising teacher or Principal.
4. Additional teacher chaperones will be considered first on subject appropriateness. Other chaperones must be approved by the Principal.
5. Chaperones must be readily available, be mindful of safety concerns, and respond to students' needs at any school-sponsored field trip or event.
6. If a serious emergency occurs, the chaperones in charge shall promptly report the situation to the Principal, supervising teacher, and the parents of the student(s) involved in the emergency. Chaperones must keep a record of emergency contact numbers and designated contact persons for students.
7. Student misconduct observed by or reported to a chaperone must be immediately reported by the supervising chaperone to the supervising teacher and Principal for handling in accordance with the school's disciplinary policies.
